

COVID Testing Site in Hardwick Available Starting Saturday, December 5

[December 3, 2020](#) in [COVID-19](#) / [Town Manager](#)

Northern Counties Health Care/Hardwick Area Health Center has partnered with CIC Health, VDH's contractor for COVID testing logistics, to offer more readily available access to testing in the community. Testing is available to anyone at no cost. This is a self-administered nasal swab that is sent to Broad Institute in Massachusetts. Typical turnaround time is 2-3 business days. Patients are self-register and receive results directly. Walk-ins are also welcome.

Hardwick – Fire Station (*Drive Thru*)

Tuesday – 3:30-6:30pm

Thursday, Saturday, & Sunday – 9:00am-12:00pm

To register patients can be directed to the VDH
